

1

Download the App

It is available in the Apple App Store. Search for “Barcode Scanners” or scan the QR Code on your iPhone here:

2

Discover the power of Manatee Works barcode scanning

Try out the Barcode Scanners app (without StingRay enabled) to experience the Manatee Works Barcode Scanner engine first hand. A portfolio of our supported barcode types can be downloaded from www.stingrayhub.com/barcodes.

3

Purchase a uniVERSE case

Purchase a uniVERSE case from OtterBox, Best Buy, or other retailer where OtterBox uniVERSE is sold.

4

Attach StingRay to your uniVERSE case and iPhone

For further instructions, check out our Installation Video by scanning the following QR Code:

5

Scan with StingRay!

With the StingRay attached to your uniVERSE case and iPhone, utilize the Barcode Scanners app in StingRay Mode (found in settings) and experience first hand the power of Heads-Up Barcode Scanning™ and StingRay performance.

6

Join Manatee Works Developer Network

Join the Manatee Works Developer Network to begin developing your app “Powered by StingRay”.
